Wofford Campus Community:

The Wofford College Culinary Services staff is excited to begin serving the full Wofford College community as we enter the fall 2017 semester. We will bring new, fresh, exciting cuisine to the campus community throughout all dining venues, and we hope you enjoy it!

The attached brochure provides details of the offerings in Burwell Dining Hall this year, along with hours for all dining venues and information about Terrier Bucks and Meal Plans.

We look forward to serving you soon!

Wofford
Culinar...417.pdf

A close-up photograph of a dark grey slate platter. On the left side, there are three pieces of grilled meat, likely steak, arranged vertically. The meat is cooked to a medium-rare doneness, showing a pinkish-red interior and a dark, charred exterior. The top two pieces are cut into strips, while the bottom piece is a larger, rectangular cut. A fresh rosemary sprig is placed on the bottom piece of meat. The right side of the platter is empty, providing a space for text.

From: Walter Miller, District Manager
Wofford College Culinary Services

The Wofford College Culinary Services staff is excited to begin serving the full Wofford College community as we enter the fall 2017 semester. We will bring new, fresh, exciting cuisine to the campus community throughout all dining venues, and we hope you enjoy it!

FOOD THAT'S SIMPLY BETTER

Burwell Dining Hall is home to four unique stations, each with its own contemporary look and feel. Customized menus, featuring our made-from-scratch recipes, invite our customers to enjoy a true dining experience, with an array of authentic flavor profiles from around the world. Dynamic programming combines with distinctive menu offerings to set new benchmarks for student dining programs. Wofford College Culinary Services brings an exciting level of authenticity to your experience with our from-scratch commitment!

- House-made peanut butter
- House-made pizza dough and sauces
- House-roasted meats at the deli station
- House-made desserts
- Fresh vegetables
- Fresh-cut lettuce
- Fresh-cut fruit

While physical renovations to the Burwell Dining Hall are planned for 2018, we are excited about the new equipment that has been installed to provide us with the ability to create fresh dishes, such as a rotisserie oven, peanut butter grinder and more to come!

Here's some other helpful information regarding your dining services:

TERRIER BUCKS AND MEAL PLANS

All members of the Wofford community may add Terrier Bucks to their ID cards in several ways:

- By check, cash or credit card at any register in any of the dining venues.
- Soon to be available online at aviserves.com/wofford.

Faculty and staff: All members of the faculty and staff have been uploaded into the Wofford College Culinary Services system, and any funds remaining on your account from the previous dining services operation has been carried over to your card. Should you have problems or questions regarding your card or funds, please contact Walter Miller at wmiller@avifoodsystems.com.

Personal Finance Class for Faculty and Staff

Details: Eddie Richardson, Professor of Accounting, Business, and Finance, is offering a course called, "Personal Finance: Stuff I Need to Know" for staff and faculty. The class will be held on Tuesdays and Thursdays from 4-5 p.m. in Olin 212, starting on Tuesday, Sept. 5. The course is free and open to any Wofford employee. All necessary materials will be supplied. A college degree is NOT required to take this course. Topics covered will include selecting and financing housing, the basics of investing in stocks, bonds, and mutual funds; health, disability, and life insurance; consumer purchasing, including automobiles; and much more. Enrollees don't necessarily need to come to every session, but everyone is encouraged to attend the first four sessions to get a basic understanding of time value of money concepts and personal financial statements. After that, it is okay to attend only the sessions that cover areas of specific interest, i.e., purchasing a home, or investing in stocks and bonds. Please contact Trina Jones (joneskj@wofford.edu) or Eddie Richardson (richardsonwe@wofford.edu) if you have any questions or concerns.

Subject: Welcome back!

To: Wofford Students WoffordStudents@Wofford.Edu, Wofford Staff and Faculty WoffordStaff@Wofford.Edu

Dear Wofford community,

Wofford College has much to celebrate as we begin another academic year. We welcomed 471 first-year students and transfers to the Wofford community. We also welcomed new faculty and staff, all of whom join our continuing faculty and staff in a singular commitment to student success. At Wofford we embrace the enormous responsibility we have to offer opportunities for students to engage the world, discover their passions and prepare for lives of extraordinary and positive contributions to society.

We also celebrate the community of civility, decorum and respect that is Wofford College. Today, our world faces issues of race, social justice, gender politics, terrorism, tax-reform, the threat of nuclear war, poverty, environmental and human sustainability, and a myriad of other regional and national challenges. The tenor of our times is troubled, but institutions of higher education in general, and Wofford College specifically, can and must set an example for how society engages in meaningful conversations, seeks understanding and devises solutions that benefit all while advancing our shared ends. We must be a place where differences of opinion and perspective are not the source of anger and vitriol, but rather where such differences motivate civil dialogue and respect. I am proud of Wofford's history in modeling for others these practices, and we shall remain committed to doing so.

At Wofford College, transformational learning experiences occur both inside and outside of the classroom. They will certainly happen in the college's two new buildings — yet another reason to celebrate the start of the academic year. Today marks the first day of classes in the beautiful and functional Rosalind Sallenger Richardson Center for the Arts. We will celebrate the opening of the new center as a community at 11 a.m., Sept. 12. Student-athletes also will play their first games this semester in the new Jerry Richardson Indoor Stadium. The first event in the new indoor stadium will be a volleyball match at 6 p.m., Sept. 20. For the first men's basketball game vs. the University of South Carolina on Nov. 10, we also will have a special half-time celebration of Jerry Richardson. Mr. Richardson, Wofford Class of 1959 and owner and founder of the NFL's Carolina Panthers, announced these new buildings in the fall of 2014, immediately after Wofford adopted a comprehensive Strategic Vision. Thanks to Mr. Richardson and the many other generous donors who have committed to the college's vision, we are well on our way. I invite you to see for yourself. Visit the Strategic Vision website at wofford.edu/strategicvision.

As always, we will welcome a variety of guests to campus throughout the year. Tomorrow at 11 a.m., Wofford will honor one of its own, the Hon. Henry Floyd, Class of 1970 and a justice on the U.S. Court of Appeals, who will receive an honorary degree and speak at Opening Convocation. This fall we also welcome David Brooks, columnist for The New York Times; Dr. Warren Kimball of Rutgers University, who will speak on Winston Churchill as politician and painter; Dr. Stephen Knott from the U.S. Naval War College as the Constitution Day speaker; and Dr. Laura Wexler comes to campus from Yale University as the Chapman Lecturer in the Humanities to talk about the legacy of Frederick Douglass.

As you can see, we begin the 2017-18 academic year as a vibrant community of engaged learning and reflection. Remarkable things are happening at Wofford College, and we invite you to celebrate with us the start of another year of student discovery and success.

Sincerely,

Nayef H. Samhat
President of Wofford College

Subject: Opening Convocation - Tuesday, Sept. 5

Date: September 4, 2017 at 2:41 PM

To: Wofford Staff and Faculty WoffordStaff@Wofford.Edu, Wofford Students WoffordStudents@Wofford.Edu

To the Wofford Community:

You are all encouraged to attend Tuesday's Opening Convocation – an important event for the college – when we welcome one of our own, the Hon. Judge Henry F. Floyd, a 1970 Wofford graduate and a judge for the U.S. Court of Appeals for the Fourth Circuit, as our featured speaker. He also will receive an honorary degree during the program. The convocation will be at 11 a.m. in Leonard Auditorium in Main Building. Members of the faculty will be in full regalia and are reminded that their official group photograph will be made on the steps of Main Building before the convocation at 10:45 a.m.

Justice Floyd was appointed in October 2011 by President Barack Obama. He was first appointed to the federal judiciary by President George W. Bush in September 2003 as a judge for the U.S. District Court, District of South Carolina, to a seat vacated by the Hon. Dennis W. Shedd, a 1975 graduate of Wofford. Justice Floyd is a graduate of the University of South Carolina School of Law and served in the South Carolina House of Representatives. In the spring 2017 semester, he co-taught the constitutional law class with Dr. David Alvis, associate professor of government and international affairs.

This is an important and special event for our campus as we look forward to a wonderful and productive year.

Thank you,

Nayef

Personal Finance Class for Faculty and Staff

Details: Eddie Richardson, Professor of Accounting, Business, and Finance, is offering a course called, "Personal Finance: Stuff I Need to Know" for staff and faculty. The class will be held on Tuesdays and Thursdays from 4-5 p.m. in Olin 212, starting on Tuesday, Sept. 5. The course is free and open to any Wofford employee. All necessary materials will be supplied. A college degree is NOT required to take this course. Topics covered will include selecting and financing housing, the basics of investing in stocks, bonds, and mutual funds; health, disability, and life insurance; consumer purchasing, including automobiles; and much more. Enrollees don't necessarily need to come to every session, but everyone is encouraged to attend the first four sessions to get a basic understanding of time value of money concepts and personal financial statements. After that, it is okay to attend only the sessions that cover areas of specific interest, i.e., purchasing a home, or

investing in stocks and bonds. Please contact Trina Jones (joneskj@wofford.edu) or Eddie Richardson (richardsonwe@wofford.edu) if you have any questions or concerns.

Subject: Wofford's Statement of Core Values
Date: September 7, 2017 at 8:00 AM
To: stonerp@wofford.edu

A Statement of Core Values is a document that describes who we are as an institution. Core Values set forth what we believe as a community, what makes Wofford the institution that it is. This statement would be available online and would help prospective students, as well as faculty and staff hires, know what kind of community they are considering joining. For example, an online search of "Statement of Core Values College" brings up several links, including the College of Charleston's Institutional Core Values. The Core Values Committee is soliciting input on a draft of a Statement of Core Values for Wofford College through this survey. The survey will run until Thursday 9/14.

Re: Hurricane Irma

Campus Safety and senior administration are monitoring Hurricane Irma advisories closely and are preparing response measures should the Upstate and Wofford College be impacted. Current models have the storm impacting the Upstate early next week; these models can change over the next few days.

We encourage all students, faculty and staff to:

- Monitor Hurricane Irma through local news stations and/or NOAA.org. (*The Weather Channel can be found on Channel 032 on Wofford-connected TVs.*)
- Ensure that you have updated your Rave Mobile Alert account with your cell phone number to ensure you will receive any text alerts regarding the local weather and any campus news, such as cancelations or delays. (*Log in through myWofford using your Wofford login and password; contact Laura Corbin at laura.corbin@wofford.edu or 864-597-4180 if you have problems or questions.*)
- Students:
 - While food service will be available on campus, hours and locations may be limited, therefore you are encouraged to purchase non-perishable foods and water.
 - You should have working flashlights and batteries on hand; do not burn candles during power outages because of the potential for fires.
 - Keep your cell phones and computers charged; if you don't already have one, consider purchasing an external battery charger.
 - Fill your vehicle with gasoline before Monday.
 - If your vehicle is parked in an area with a number of trees, you are encouraged to move it to another location, such as the parking lot on Cumming Street across from the Jerry Richardson Indoor Stadium.
 - Make sure you have an ample supply of any prescription medications you need.
 - Local/regional resident students are encouraged to inform their residence assistants if they decide to go home.
 - Students who live in the areas expected to receive the most impact from Hurricane Irma – especially the South Carolina and Georgia coastal areas and South Carolina Midlands – are encouraged NOT to travel home this weekend due to the potential for traffic jams; Gov. McMaster likely will issue a mandatory evacuation order of the coastal areas beginning at 10 a.m. Saturday, and I-26 lanes will be reversed to head out of that area.

Decisions on class schedule changes or closures at Wofford will be made as more is known about the path of the hurricane, the anticipated weather conditions and when those may occur in the Upstate. The storm may impact food services on campus as well.

We will provide updates to the campus community as these decisions are made.

Should emergency situations occur, you will be notified via Rave Mobile Alert by email and/or cell phone.

Imagine Science Films: The Wofford Tour II

Date/Time: 9/19/2017 7:00:00 PM

Location: McMillan Theater

Cost: Free

Details: Imagine Science Films (ISF) is a New York City organization whose goal is to break down stereotypes and defy categorization in the media genre often referred to as the "science film." Their guiding principle is that in addition to conveying information, the "science film" needs to capture the magic or "coolness" of science and its practitioners. This year, the ISF has created a film program, just for Wofford College, centered on the theme of the future of humanity and technology's role in that future. Free concessions will be distributed before the film and a short faculty panel discussion will follow the film. Please join us for what should be a thought provoking evening of contemporary science films. This film will show on 9/19, 9/20, and 9/21 from 7 p.m. until 8:30 p.m.

To: Wofford Campus Community
Re: Preparations for Effects of Hurricane Irma

As we continue to monitor the track of Hurricane Irma and the potential impact on the Upstate and Wofford's campus, we are providing the following information regarding preparations and campus operations.

If the Upstate remains in the hurricane's track or cone area, there is potential for heavy rain, with flooding of roadways and low-lying areas; high winds, with gusts of 40 to 60 mph or higher; and tornadoes.

Again, we urge all students, faculty and staff to be sure your **Rave Mobile Alert** information is updated, including adding your cell phone numbers into your accounts. All members of the campus community already are registered in Rave with Wofford email accounts. To update your account, go to myWofford and click on the Rave icon; this will take you to your account on Rave and you will be able to edit your contact information. You can have two email addresses (including your Wofford email) and two cell phone numbers in your account; students may wish to add their parents' numbers, but that is optional. All Wofford staff with Wofford-issued cell phones **MUST** register those in Rave. If you experience problems with your account, contact Laura Corbin at laura.corbin@wofford.edu, 864-597-4180 or 864-809-8963. **CHECK YOUR ACCOUNT TODAY** to ensure your information is up to date.

We also urge you to review the campus **tornado warning procedures** at <http://www.wofford.edu/campusSafety/tornadoWarning/>, paying special attention to your **shelter-in-place locations**.

If the National Weather Service issues a tornado WARNING, Wofford will activate a Rave alert, sending emails and text messages to all registered Rave users; all Wofford students, faculty and staff will receive emails via their Wofford email addresses. Again, update your accounts with your cell phone numbers.

During these storms:

- Be watchful of **flooding on and off campus**. We urge everyone to use extreme caution when driving in these conditions. Do not drive through flooded streets; moving water can be very powerful and easily could carry vehicles away and/or flood them quickly. While Wofford is on fairly high ground, there are areas on campus that could flood, and city streets surrounding campus that could cause major problems; especially avoid the Cleveland Street/Pine Street area during heavy rains because of major flooding issues.
- **Soaking rains and heavy winds** may impact Wofford's trees. Be aware of the potential of large trees being uprooted and heavy branches from our trees being damaged or falling on buildings, sidewalks and roadways on campus.
- Also be aware that **high winds** can pick up even heavy objects on campus. While our maintenance staff has worked to secure many of those items ahead of the potential storms, be aware of your surroundings and the potential of high winds causing objects

to be moved or lifted up.

Two major concerns on the Wofford campus, depending on the impact of the storm, are **classes and food service**.

POSSIBLE CLASS CANCELATIONS/CAMPUS CLOSING

A decision on whether to cancel classes or close campus will be made in the coming days as the hurricane's track and potential impact on our area are more defined. The decision will depend on the anticipated strength of the storms we are expected to receive. **Campus will be notified as early as possible of these decisions.** They will be communicated by email to Wofford accounts and posted on Wofford's website (www.wofford.edu); look for links on the home page under News in the lower left corner and official Facebook account (www.facebook.com/woffordcollege/). They also may be shared by other Wofford social media accounts on Facebook and Twitter. If necessary, changes will be communicated via a Rave alert.

Operations on campus will be determined by the severity of any storms we may see:

- **Heavy rain only, with no power outages** – Campus likely would operate normally.
- **Heavier rain, high winds, possible tornados, with no power outages** – Campus likely would operate normally, except possible adjustments to hours and locations for food services.
- **Power outage(s)** – Likely class cancelations or campus closing, and changes in hours and locations for food services as well as changes to menu options (cold food and packaged foods).

ANY CHANGES in schedules for classes and food services operations will be communicated as early as possible.

FOOD SERVICES

Latest projections are for the Upstate to see effects of Hurricane Irma beginning late Monday night into early Tuesday morning; these projections are subject to change quickly.

AVI Fresh has made the decision to operate as follows Monday and Tuesday; if changes are required to this schedule, the campus community will be informed as soon as possible. These schedules assume that power in all locations remains operational and campus is not under a tornado warning.

Monday, Sept. 11:

Breakfast: Normal hours

Lunch: **The Galleria and Burwell Dining Hall will be OPEN; Zach's Express will be CLOSED.**

Lunch will be served until 1:30 p.m.

Dinner: **Burwell Dining Hall OPEN; all other venues, CLOSED.**
Hours: 4:30-7 p.m.

Tuesday, Sept. 12:

Burwell Dining Hall OPEN; all other venues, CLOSED.

Normal hours for breakfast, lunch and dinner will be observed.

In the event of campus power outages on Tuesday, service will continue in Burwell Dining Hall only, with these hours:

Brunch: 10 a.m.-1 p.m.

Dinner: 4-6 p.m.

Resident students: Resident Assistants will have the most up-to-date information; check with them if you have questions or problems.

As always, in cases of emergencies, contact Campus Safety at 864-597-4911.

Faculty Talk Series

Date/Time: 9/18/2017 12:00:00 PM

Date/Time: 9/18/2017 12:00:00 PM

Location: Gray Jones, Burwell

Cost: Free

Details: Dr. Frank Machovec (Economics) will present, "The Harmful Unintended Consequences of Kindness: Spawning the Financial Meltdown of 2008" Abstract: As a result of a 1990 Federal Reserve study which claimed that racial discrimination in mortgage lending was widespread - an allegation that was subsequently proved false - the federal government established quotas on lenders (which grew in size over time), yielding a sea of home loans to uncreditworthy borrowers of all races. When these mortgagees began to default en masse, the insurance policies tied to their loans (known as "derivatives") were invoked, but the reserve capital to honor such contracts was woefully inadequate, so the financial system collapsed, and a liquidity crisis ensued, dragging the nation into an extended recession. We will conclude by 1 p.m. Hope to see you there!

Imagine Science Films: The Wofford Tour II

Date/Time: 9/19/2017 7:00:00 PM

Location: McMillan Theater

Cost: free

Details: Imagine Science Films (ISF) is a New York City organization whose goal is to break down stereotypes and defy categorization in the media genre often referred to as the "science film." Their guiding principle is that in addition to conveying information, the "science film" needs to capture the magic or "coolness" of science and its practitioners. This year, the ISF has created a film program, just for Wofford College, centered on the theme of the future of humanity and technology's role in that future. Free concessions will be distributed before the film and a short faculty panel discussion will follow the film. Please join us for what should be a thought provoking evening of contemporary science films. This film will be shown on Sept. 19, 20 and 21 from 7 p.m. until 8:30 p.m.

To: Wofford Staff and Faculty WoffordStaff@Wofford.Edu, Wofford Students WoffordStudents@Wofford.Edu

W

Students and Faculty,

ITS staff are investigating a problem with people logging into Moodle. We began to receive reports of the problem around noon. ITS staff have determined that the problem is the sign-on connection between myWofford and Moodle, and we are working on a fix. We appreciate your patience as we work to make this important campus service available as soon as possible.

Sincerely,
Fred Miller

Imagine Science Films: The Wofford Tour II

Date/Time: 9/20/2017 7:00:00 PM

Location: McMillan Theater

Cost: Free

Details: Imagine Science Films (ISF) is a New York City organization whose goal is to break down stereotypes and defy categorization in the media genre often referred to as the "science film." Their guiding principle is that in addition to conveying information, the "science film" needs to capture the magic or "coolness" of science and its practitioners. This year, the ISF has created a film program, just for Wofford College, centered on the theme of the future of humanity and technology's role in that future. Free concessions will be distributed before the film and a short faculty panel discussion will follow the film. Please join us for what should be a thought provoking evening of contemporary science films.

Location: Richardson Family Art Gallery

Cost: Free

Details: Please join us tonight for a gallery talk delivered by Dr. Peter Schmunk as part of Spartanburg's September ArtWalk! Dr. Schmunk will be speaking on the photography exhibit "Delano & Lange in Spartanburg," which will be on display in the Richardson Family Art Gallery in the Rosalind Sallenger Richardson Center for the Arts through Oct. 21. Participating in Bike to ArtWalk? You're in luck! Dr. Schmunk will be delivering a special preview of his talk at 5:30 p.m. Thursday, Sept. 21 for those who will be cycling and sightseeing! The exhibit features the photography of renowned 20th century American photographers Dorothea Lange and Jack Delano. It's a little-known piece of local history that both photographers visited Spartanburg County in the 1940s, aiding the Farm Securities Administration in documenting the displacement of African American and white tenant farmers during the construction of Army training site Camp Croft. Refreshments will be served, and all are welcome to join us for this free event!

Imagine Science Films: The Wofford Tour II

Date/Time: 9/21/2017 7:00:00 PM

Location: McMillan Theater

Cost: Free

Details: Imagine Science Films (ISF) is a New York City organization whose goal is to break down stereotypes and defy categorization in the media genre often referred to as the "science film." Their guiding principle is that in addition to conveying information, the "science film" needs to capture the magic or "coolness" of science and its practitioners. This year, the ISF has created a film program, just for Wofford College, centered on the theme of the future of humanity and technology's role in that future. Free concessions will be distributed before the film and a short faculty panel discussion will follow the film. Please join us for what should be a thought provoking evening of contemporary science films.

Subject: REMINDER TO FACULTY AND STAFF: Thirsty Thursday returns TODAY! 4-5:30 p.m. at the Rosalind Sallenger Richardson Center for the Arts
Date: September 21, 2017 at 9:27 AM
To: Wofford Staff and Faculty WoffordStaff@Wofford.Edu

N

REMINDER TO FACULTY AND STAFF:

The fifth season of Thirsty Thursday kicks off **from 4 to 5:30 p.m. TODAY** at the lovely new Rosalind Sallenger Richardson Center for the Arts. Weather permitting, the festivities will be held outside on the terrace area. (In case of inclement weather, we will be in the catering area.)

Come and go as you can and wish. The gallery and museum will be open – but please remember, no food and drink in these venues.

Beer, wine, finest water and lemonade will be served – and yes, pretzels!

For all new faculty and staff, we do this every third Thursday of the month during the academic year. Please mark your calendars. Location information always comes out the week of the happy 90 minutes!

We hope to see you there!

Subject: MESSAGE FROM CAMPUS SAFETY: Vehicle break-in, theft Tuesday
Date: September 28, 2017 at 1:06 PM
To: Wofford Staff and Faculty WoffordStaff@Wofford.Edu, Wofford Students WoffordStudents@Wofford.Edu

W

To: Campus Community
From: Randy Hall, director of Campus Safety

Campus Safety officers responded Tuesday morning (Sept. 26) to a break-in of a student's vehicle that was parked on Memorial Drive. The victim said she left items on the console of the locked vehicle. A campus employee witnessed the subject using a brick to break the side window of the vehicle and grabbing the property. The employee notified Campus Safety, but the subject had left the area. Campus Safety officers and officers from the Spartanburg City Police Department searched the surrounding area and interviewed a possible subject, but no arrests have been made and no property has been recovered. Fingerprints have been sent to the Spartanburg County Sheriff's Department for processing. The investigation is continuing.

Campus Safety strongly discourages students and employees from parking on Memorial Drive, a city street; as a busy street with no sidewalk, the area can be dangerous when walking from your vehicle or crossing the street, and vehicles may be more vulnerable on the street. Also, you are reminded to remove your valuables from your vehicle and make sure your vehicle is locked and secured.

As always, contact Campus Safety at 864-597-4911 if you observe suspicious persons or activity on or near campus. Campus Safety officers also are available 24/7 if you need an escort; call the same number.

From: Randy Hall, Director of Campus Safety
Re: Wofford Annual Security and Fire Safety Report 2017 (Clery Report)

The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act requires all postsecondary institutions receiving federal aid to publish and distribute an Annual Security and Fire Safety Report by Oct. 1 each year. The Annual Security and Fire Safety Report includes specific campus crime and fire safety statistics and policies for the college. In addition to making the data available to current students and employees, colleges and universities must submit crime statistics to the U.S. Department of Education and notify prospective students and employees that the report is available at the following web address:

<https://www.wofford.edu/uploadedFiles/Campus%20Safety%20Clery%20Act%20Report%202017.pdf>

The report contains descriptions of the college's various fire safety and security policies and statistical crime and fire safety logs to include the Campus Safety Department's relationship with other agencies, security services, crime reporting, sexual assault and missing student policies, and various crime reporting and education programs.

In addition to accessing the report at the above link, prospective students and employees may request a printed version of the report at no charge by contacting the Wofford College Campus Safety Department at 864-587-4351 or Randy Hall, director of Campus Safety, at halljr@wofford.edu and requesting the copy. The report also may be obtained by visiting the Campus Safety Department in the Andrews Field House located at 280 Wofford Campus Drive.
